Activity Level and Play

Please check all that best describes the activity level of your dog:

- Low Activity - sleeps a lot, quiet, would prefer sitting in my lap or next to me, doesn't like to play with toys
 Medium Activity- is playful, will play with toys, is a relaxed play, calms down easily after play
 High Activity - on the go most of the time, needs 2-3 hours of active play/walks daily
 Excessively active, rarely slows down, pulls on leash when walking
 Likes to go running with me
 My dog likes to play fetch/retrieve and other games

Placement (Summary)

I think my dog would do best in:

- Experienced home with adults only Quieter environment; great for a senior person
 House with no cats House with no dogs
 Family environment with children: any age under 12 years old over 12 years old
 Indoor dog

Is there anything else you would like us to know about this dog? _____
